

## Functional Skills Maths

### Course Code

SFL/BSNUM/22/1/WEB

### Time and duration

Start Date:

Start Time: 00:00

Weeks: 0

### Location

Various Locations

ZZ99 9ZZ

### Description

Improve your maths skills and start working towards a nationally recognised qualification. The Functional Skills Maths courses will give you confidence in using your skills in everyday situations such as budgeting, working out discounts in sales as well as the opportunity to gain a qualification. Tutors will work with you to design your own learning programme, which will include individual and group work. Classes are delivered in a safe, comfortable learning environment.

On completion of the Getting Started with Maths Course you will work towards a Maths qualification and develop skills in:

Fractions

Decimals

Percentages

Using measurement

You will work at your own pace but will need to attend each week to achieve the course aims

### Course Title:

Maths (Accredited)

### Attendance options available:

1 session per week or 2 sessions per week

The course is designed for adult learners who want to either:

- Improve their maths skills (Entry Levels to Level 2)
- Achieve accreditation for their existing skills
- Work towards the recognised equivalent of GCSE

The programme will be designed to suit individual learner needs and allows access to online as well as practical learning resources.

Learners will be given the opportunity to work towards City and Guilds Functional Skills Mathematics accreditation. All assessments are set by City and Guilds and take place under supervised conditions

### Topics covered:

Accredited Units

- Number
- Measure, Shape and Space
- Handling Data

### To attend this course you must:

- Be able to follow instructions
- Be willing to learn new skills

### How do I enrol?

Curriculum lead: Stephanie Bartlett

Referral Procedure: Use online calendar to book in a Skills for Life Assessment Workshop
